Dear Parent/Carer,

Re: Revision materials for GCSE Mathematics

To support all students with their study of GCSE Mathematics, we would strongly encourage them to buy a revision guide / workbook if they have not already. We recommend the Collins Edexcel GCSE All-in-One Revision & Practice book. These are priced at £4.00 each (RRP is £10.99!) and are available for both Higher tier and Foundation tier.

We can also offer a MathsWatch DVD which is a set of video clips, tutorials and worksheets priced at £4.00.

If you would like to buy any of these, please complete the form and return it to your child's mathematics teacher in an envelope marked 'Maths Revision'. Please note that purchase of a revision guide is not compulsory but it is *highly* recommended. No student will ever be required to bring a specific revision book to Maths lessons.

If you would rather buy revision materials yourself please note that we follow the Edexcel GCSE (9-1) specification.

Please return by Friday 17th November.

Yours faithfully

Mr A Stubbs
