

October 2017

Dear Parents/Carers,

**Y11 Mock Examinations – Monday 13 November – Friday 24 November 2017**

Mock examinations will take place from **Monday 13 November – Friday 24 November 2017**. Students have already been issued with a mock examination timetable which is also available on our website. In between the exams students will work in their normal classrooms. These will be quiet learning environments and ALL students should come equipped with materials to allow them to revise.

If an exam finishes AFTER 2.45pm we will allow students to go home after they have been dismissed from the exam hall. This arrangement only applies to students who have sat an afternoon exam. Students not taking exams will continue to take advantage of the revision lessons in school.

If students complete all of their exams and meet expectations during the exam period we would like to reward their hard work with an early afternoon finish on Friday 24 November. I currently foresee all students gaining this privilege and I would inform you if it was not the case for your child. If you would prefer your son/daughter to remain in school during the exam period and on the afternoon of 24 November **please complete the reply slip below** and return it to the office. Following the afternoon exam, students who **do not** have permission to go home will remain in school and they will be able to work on the balcony until 3.20pm.

If you have any questions/queries then please do not hesitate to contact myself, Miss Day or your child's tutor.

Thank you in anticipation of your support.

Mr I Nariani  
Vice Principal: Attainment and Progress
