

MANOR

CHURCH OF ENGLAND ACADEMY, YORK

Established 1812 • Principal: Mr Simon Barber, MA

12th October 2017

Dear Parent/Carer,

Your child is currently in their first rotation of the Design Technology & Art subjects, I am making contact to request our standardised contribution to purchase the materials and resources that our students use and take home. The majority of the cost of the products is paid for by our department budget but we ask that parents contribute to purchasing the materials and consumables that are taken away.

In **Year 8 we ask for a contribution of £9** (this does not include fabric for shorts as students often prefer to select their own fabric in a shop). These outcomes and materials purchased will be taken home at the end of each rotation in Product Design and Textiles and at the end of each lesson in Food. Art work will go home half yearly.

As part of their studies, students will produce the following outcomes:-

- Product Design – Geometric Clock
- Art – Cultural Art clay sculpture
- Textiles – Shorts – provide own fabric. Sequins, beads, plain ribbon, elastic are provided.
- Food – A variety of dishes where ingredients required in small amounts such as seasonings, oil, stock, herbs etc. will be provided, as well as tasting and testing food samples. Parents/Carers are required to provide the main ingredients in a recipe.

The £9 payment can be made through Parent Pay. If you don't have your login details please email us at parentpay@manoracademy.org. Please attempt to make the contribution before the end of term so that materials and projects purchased can be brought home at the end of the project.

If you would like to discuss any of the above further, please contact Mr Cooper at school.

r.cooper@manoracademy.org.

Yours Sincerely,

Mr R Cooper
