Dear Parents/Carers,

I am writing to inform you that your son/daughter has failed to submit their GCSE PE Analysis and Evaluation project by the deadline of the 3.30pm on the 9<sup>th</sup> of February. Students have been aware of this deadline since we returned after Christmas and we have spent time in lessons improving and developing the project.

The project is worth 10% of their GCSE PE course and students are unable to submit **any** practical PE scores without it meaning they would forfeit up 40% of the total course marks available.

Please could you ensure your son/daughter submits a paper copy of the project on the first day of the next half term (Monday 19<sup>th</sup> February) to ensure they are able to complete the practical element of the GCSE PE course.

Kind regards

Mr N Turnbull
