Dear Parents & Carers,

The online world is posing an ever-increasing risk to children and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers and how to act safely when using the internet.

As an iPad school we are very aware of the need to teach pupils about the online dangers and how to act safely on the internet.

We are therefore delighted to announce that we have shown our commitment to protecting our pupils online and have worked with National Online Safety's "Online Safety World" to deliver an interactive online workshop for all of our parents & carers.

The course can be taken at your own convenience and covers:

- Information about online dangers and the newest platforms
- What online risks to look out for and how to protect your child
- Interactive quizzes to check your understanding

Please find below the URL you need to visit to access the course guide: [www.onlinesafetyworld.com/products/](http://www.onlinesafetyworld.com/products/)

If you add **Online Safety World Course** to your basket, then add the promotional code: **Manor750**

**If you have more than one child at school you will only need to register once.**
