

June 2018

Dear Parents / Carers,

I would like to offer you the opportunity to purchase a new 'Target' intervention workbook, designed to help your child reach their potential in science. These books, written by Pearson Edexcel, target the key misconceptions, skills and barriers holding students back. These could be an extremely useful in revision and exam preparation designed to:

- Practise skills in context of exam questions.
- Overcome key barriers at grade 5 or 7.
- Boost skills and build confidence.
- Encourage independent working.

If you are interested, we are able to offer these for only £4.50 each (rrp £7.99) via parent pay. Please select the book(s) you require. A combined science student will only need 1 combined science book. Sample material can be seen at www.pearsonschoolsandfecolleges.co.uk. The deadline for payment is Thursday 28th June 2018.

The books available are:

Target Grade 5 Edexcel GCSE (9-1) Combined Science	-suitable for foundation combined science students working up to grade 5
Target Grade 7 Edexcel GCSE (9-1) Combined Science	-suitable for higher combined science students working up to grade 7
Target Grade 7 Edexcel GCSE (9-1) BIOLOGY	-suitable for higher Triple/separate science students working up to grade 7 (biology)
Target Grade 7 Edexcel GCSE (9-1) CHEMISTRY	-suitable for higher Triple/separate science students working up to grade 7 (chemistry)
Target Grade 7 Edexcel GCSE (9-1) PHYSICS	-suitable for higher Triple/separate science students working up to grade 7 (physics)

At this time a 'Target 9' book has not been written but may well be released by Pearson in the future.

Yours Sincerely,

Dr J Fleming

Manor CE Academy
