September 2018

Dear Parents/Carers,

Year 11 Career Opportunities Event – Wednesday 24th October 2018

We are delighted to announce that we are hosting a Career Opportunities Event in School for all Year 11 students.

The morning will consist of:

1. Career Opportunities Fair – Exhibitors include all School Sixth Forms and Colleges within York, local Apprenticeship Training Providers, Employers and Universities. Students will have the opportunity to circulate around all exhibitors to find out more about the opportunities available. A list is available of those who have confirmed their attendance so far on Showbie (MR742) so they can plan what to ask and who to talk to first.
2. Post 16 Opportunities Presentation - York College, All Saints RC School Sixth Form and the National Apprenticeship Service will provide an overview of the provision available.

Open Evenings

Please take the opportunity to visit Post 16 providers at open evenings. Dates are available on provider websites and in the Planning Your Future 2018-19 Booklet which will be posted from the local authority to your home in the week commencing 8th October 2018.

Taster Days

Taster days are available at all post 16 providers and with employers to look at apprenticeships. Tasters will take place on Tuesday 15th January and/or Thursday 17th January 2019. Students are welcome to book on to two taster days or attend school as normal. Applications to book a taster are distributed at Open Evenings and will also be available in school. The deadline for booking a taster day is usually early December. Further information will follow.

Career Research and Guidance

The careers research software Start is designed to connect 11-18 year olds with potential future careers. It combines a comprehensive source of careers information with a personalised experience and career planning tool, helping students to make more informed decisions about future study and career options. Students create a personalised account on this website which can also be accessed at home - www.startprofile.com (School Code 48375).

During the year, the Careers Page on Showbie will be regularly updated with open day posters, useful booklets and applications for taster days and Post 16 applications. Students will already have a Showbie username and password and the class code is MR742.

Wendy Kerley, Careers Adviser is available Monday to Wednesday in the School Careers Office should you have any queries. Personal Career Guidance appointments are available and all students receive a typed summary of guidance following their appointment. Wendy can be contacted by students and parents on w.kerley@manorceacademy.org.

We look forward to supporting your child in their final year at Manor CE Academy.

Yours sincerely

Wendy Kerley
Careers Adviser
