Dear Parents,

The City of York Council have set a deadline of the 14th December for students to complete their Duke of Edinburgh Bronze Award in time to attend the Award Ceremony on the 15th February. If they complete after this time then they will be invited to the next one in February 2020.

To complete the award students must submit a plan for the volunteering, skill and physical sections on www.eDofE.org that meets the criteria for that section and submit an assessors report that includes the start and end dates, the goal of the section and comment from the assessor. Many students use the assessors report cards and then take a photo of these to upload onto their eDofE.

If students have any issues regarding logging in or completing a section they can come down to see me in PE before school, breaktimes, lunchtimes or after school.

Yours sincerely,

Mr P Tasker
