Dear Parent/Carer

I am writing to inform you of a change in the way that the School PE kit can be ordered and paid for during the summer holidays and in to next year. We have moved to an online provider for the school PE kit, which is a subsidiary company of Under Armour sports clothing called PlayerLayer.

The Manor Academy school shop items can be found via the school website (www.manorceacademy.org) through the 'Student' tab and by selecting 'Uniform'.

The new version of the compulsory items are the light blue PE polo shirt, girls navy hooded top and boys yellow and blue reversible and they must all be purchased through the link above. In addition PlayerLayer can also supply the shorts and socks required as part of the student's PE kit. Alternatively, these items can be bought from the website or sourced by you from sports clothing shops. Please note that we will be adding leggings for girls onto the optional items but these must be purchased from the website.

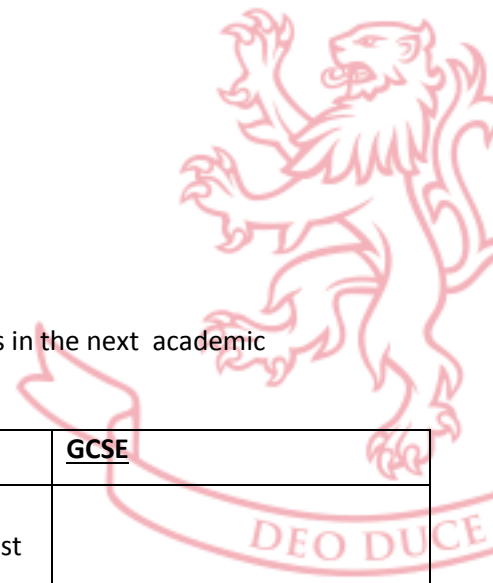

After a phased introduction of the new style PE kit, starting with our new intake of Year 7 last year, all students that have outgrown their PE Kit will need to order new items via the website. Students will be able to continue to wear the old style of PE kit throughout the next academic year.

If your son/daughter opts to take GCSE PE you can also purchase one of the red GCSE polo shirts which can be worn in GCSE practical lessons. However, these tops are only available to students from September of Year 10. The polo shirts will have a unique name and number printed onto them which will correspond to their examination candidate number and name and can be worn in all GCSE practical lessons as well as on their final practical examination days. These details can be obtained from the PE department.
