Dear Parent/Carer

**Re: Science Live! Trip 12/02/20.**

The science department would like to take your child, as a member of a higher science group, to the 'GCSE Science Live!' conference, at Sheffield City Hall.

The conference brings together several exceptional scientists including Professor Robert Winston, Professor Alice Roberts and Dr Maggie Aderin-Pocock to give engaging talks specifically designed to enhance the GCSE curriculum. There will also be an experienced science examiner giving top tips for exam success. The day will be fast-moving, exciting, and thought-provoking and will give students a chance to raise questions with the scientists. Each pupil will receive a booklet with details about each scientist, the lectures and more information about studying science.

The date for the trip is: **Wednesday 12<sup>th</sup> February 2020**

Pupils will leave school by coach at 9:00am to Sheffield and return at approximately 4.30pm. They will need a packed lunch. Please reply using the slip below at the latest by **Wednesday 4<sup>th</sup> December**, as places are limited and need to be booked. We are asking for a contribution of £30.00 to cover the costs of transport and entry. This is payable on Parent pay.

*Please note that deposits are non-refundable once the child's place has been confirmed. If a student cancels within the agreed timescales and the place is filled by another student, any money paid will be reimbursed. If a student's behaviour / attitude requires them to be removed from a trip then the cost will not be refunded.*

*All invitations to attend a trip will be dependent on behaviour and attendance. Any student who has had an exclusion during the same academic year, or who has attendance that is below 90% (unless verified with medical evidence) will be ineligible. Students who have spent time in internal exclusion will be discussed with the appropriate Head of Year and Vice Principal for Welfare, and a decision made.*

*As part of this visit is in school time, an element of this cost (£5) is to release staff to accompany the trip. This element is voluntary, however if not enough is raised to cover this we will be unable to run it.*

Yours sincerely
