Dear parents/carers

The BBC have asked if we would be interested in taking part in a project that will take place late in January to explore how far smart screen technology affects our lives.

We're asking all the *children in the school and their parents or carers* to try and volunteer to give up smart devices – phone, iPad, Games console, PC etc. for a whole week. That means no social media, YouTube, games, or WhatsApp groups.

Of course you do not have to part, it is entirely voluntary. Please find attached a letter and consent form from one of the BBC Producers, Mathew Heywood, which gives you more detailed information about this project.

Yours sincerely,

Simon Barber
