

Premium Quality School Uniforms at Competitive Prices

Official Supplier

Dear Parents / Carers

As we approach another summer and following government guidelines, we would like to outline how we can help make your 'back to school' shopping experience as easy and effortless as possible while keeping you safe.

In-store Purchase (appointment system between 9.30am and 3pm daily)

During July, August and September, we will be offering a 15-minute appointment system tailored to your needs. This will reduce the number of customers in the store at any one time and makes the experience more individual.

Please make an appointment through our website:- www.emblazon.biz

At present, our changing rooms are closed, and children are unable to try on garments. We do understand how difficult this can be, especially for new starters. Our helpful and experienced staff will be able to advise on the correct size for your child. If a garment does not fit correctly, we are more than happy to exchange or refund all returned items, provided that they are in the condition in which they were bought.

Should government guidance change, enabling us to open our changing rooms, we will update our website accordingly.

Online Purchase

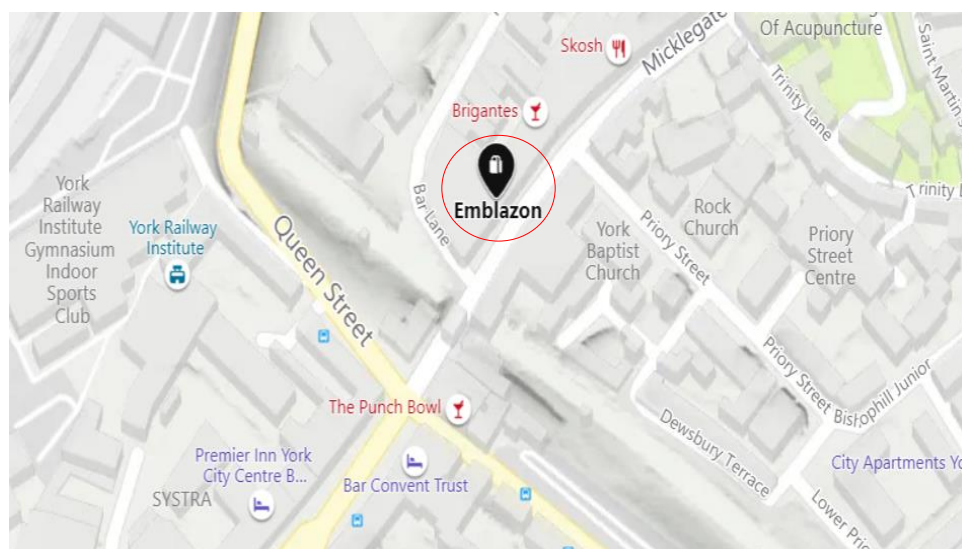

We are offering a free 'click and collect' service, between 3pm and 5pm. We ask customers to indicate a day they are wanting to collect their order, so we can have this ready to be collected, or you can choose to have the garments delivered direct to your home if you prefer.

For either of the above, please visit our website:- www.emblazon.biz

Click on School Wear, York, and then click on the relevant school to place your order.

We look forward to seeing you all over the summer. Should you have any queries or concerns please do not hesitate to contact us via telephone or email.

Many Thanks Niki, Abbie, Stacey
