Statement of Intent

Our Trust Vision

To provide environments where children and young people can thrive.
Life in all its fullness - a place to thrive

Our Trust Values

Respect, Teamwork, Kindness

A respectful and inclusive community, with a culture of thankfulness and appreciation, where we celebrate equality and diversity.

High quality first teaching across all of our schools, in every learning session, without exception.

A broad and balanced educational offer which develops all pupils academically, practically, emotionally, socially and spiritually, leading to great outcomes.

Resilient, sustainable and ethical leadership at all levels of the organisation.

The intent of Collective Worship across our HSLT schools/academies, is to support pupils to ***flourish and to thrive and experience life in all its fullness (John 10:10)***.

The daily act of collective worship is central to our Trust and school/academy's theologically rooted in Christian vision and values, and makes an important contribution to the overall spiritual, moral, social and cultural development of the whole school community. It is the unique heartbeat of the school and is offered as part of a wider opportunity for pupils and adults to encounter faith by engaging in conversations about God, both as individuals and together. We want pupils to leave school with a rich experience and understanding of Christianity and we are committed to offering them an encounter with Jesus Christ and with Christian faith and practice, in a way that enhances their lives.

We have Trust Chaplaincy to support Collective Worship, offer prayer and spiritual guidance and further develop our links between schools and church and between the school and the wider community, including other denominations and faith communities.

2. Content and Structure of Collective Worship

2.1. Our worship is **inclusive, inspirational and invitational**. It reflects the variety of **Anglican and Methodist traditions found in the Church of England** and will recognise and follow the **Christian liturgical year**, with varied liturgical and other traditions of Anglican worship and festivals in the UK and worldwide and, where appropriate, the Eucharist. To appreciate the relevance of faith in today's world, by encountering the teachings of Jesus and the Bible and developing understanding of the Christian belief in the Trinitarian nature of God. It includes opportunities for prayer, reading and reflecting on the Bible, liturgy, sacrament and experience of the musical and other imaginative riches of Christianity.

2.2. Collective worship will help pupils and adults to **reflect on our Trust and school theologically underpinned Christian vision and values**.

2.3. It will offer the opportunity, without compulsion, to all pupils and adults to **grow spiritually** through experiences of prayer, stillness, worship and reflection.

2.4. It will also be an opportunity to **celebrate and give thanks** for achievements within the school, local and international community and occasions of significance, including festivals.

2.5. **Our worship is planned and delivered by a number of different people including, staff, Trust chaplains and our pupil Collective Worship group and consists of 4 stages:**

- Gather – we welcome the school community with music, liturgy and the lighting of a candle
- Engage – we share, for example a Bible reading, followed by an activity to engage pupils with the Christian message
- Respond – pupils have the opportunity for reflection through discussion, sharing thoughts, pray if they wish, sing
- Send – we share the message of the worship again and ask the school community to reflect upon the message in their daily lives. We close with liturgy, final prayer, music and the blowing out of our special candle
