Re: Uniform Consultation

Thank you for responding to our uniform consultation - your views are important to us. We can now confirm the final results.

We have received over 750 responses from pupils, parents and colleagues. The results have been reviewed and we can confirm the uniform which will be in place **from September 2025**.

A full breakdown is included within Appendix A.

Area	Confirmed Uniform Selection
Standard Daily Uniform	Branded Black V neck jumper, White shirt/blouse and school tie <i>This will be one colour for all year groups and omits the requirement to purchase a new jumper when going into KS4.</i>
Standard Daily Uniform - Footwear	Shoes or Trainers - Plain Black
Standard PE Kit	Plain PE shorts/jogging bottoms and a plain t-shirt

Note: Blazers and kilts will no longer be part of the uniform and will not be available for purchase from the 1st of September 2025.

Whilst pupils and colleagues were consulted on the proposed uniform changes to ensure that collective views were established, the final outcome has been based on the responses of the parent/carers consultation in line with the 'School Uniform' guidance on **GOV.UK**.

The overall outcome in relation to the selections made was based on comfort and affordability. The responses given by pupils and colleagues were primarily consistent with the parent view outcomes.

What does this mean for my family?

Can pupils just start wearing the new uniform now?

No. The new uniform will only be permitted from 1st September 2025.

Will there be any crossover time?

Yes, absolutely. For the first year, pupils will be able to wear either old or new uniforms. Pupils will be able to use items that still fit.

The PE Kit is limited in colours, why is that?

This is due to affordability and ease of purchase.

What if a pupil needs some items replaced before the new uniform comes in?

We will ask parents/carers to contact the school/academy. We will be able to help with items of old stock or may be able to direct them to secondhand provision.
